

Del Mar Fight Song

We're loyal to you, Del Mar High.
For the black and the gold we will fight.
We'll back you to stand 'gainst the best in the land
As we give you our hand, Del Mar Dons. Rah! Rah!
So smash the blockade, Del Mar Dons.
Go crashing ahead, Del Mar Dons.
March onward to victory as we cheer your name
And watch you spread far your fame, Del Mar Dons.

Hymn

Del Mar High we stand beside thee,
With our heads held high.
With our hearts we sing your praises,
Til the end draws nigh.

When the day comes that we'll leave thee,
Here our hearts will stay.
We the Dons will always love thee,
Ever come what may!
